Corporate Office Centers' Pacific Pointe Center Welcomes New General Manager

Tina Reynolds Joins Corporate Office Centers' Team

Torrance, CA (July XX, 2008) – Corporate Office Centers®, one of the nation's largest executive suite operators, recently announced the addition of Tina Reynolds as general manager at its Pacific Pointe Center in Torrance, according to Thad Pittman, president of Corporate Office Centers®.

Reynolds will oversee all aspects of sales, marketing and operations. She will also develop brand recognition and strategic relationships with local businesses, associations and commercial real estate brokers.

With over five years of expertise, Reynolds has held key sales and marketing positions including production and outside sales manager at Sterling Window Products and shutter department production manager at Remedy Blinds.

"We are very excited to welcome Tina to the Corporate Office Centers' team. Her extensive customer service, sales and marketing experience will keep Pacific Pointe Center a leader amongst executive office suites in the Torrance area," said Pittman.

About Corporate Office Centers®

Corporate Office Centers owns and operates 26 executive suite locations nationwide, providing cost effective, immediate office space solutions, virtual office plans, meeting facilities and administrative support services.
